

Workshop on Academic Writing Skills For Computer Science Graduate Students

Writing is an extremely important skill that should be mastered by graduate students. The skill enables them to express the idea or an understanding of knowledge with better accuracy and precision. Realizing the importance of such skill, the Faculty of Computer Science and Information Technology will organize a workshop on academic writing skills for computer science graduate students as on the following detail:

Date : 8th May 2009 (Friday)
Time : 8.00 am – 5.00 pm
Venue : Auditorium

Registration

- This workshop is open to students from the Faculty of Computer Science and Information Technology, University of Malaya only.
- To those who are interested, please contact your supervisor for recommendation. A letter of offer (or email) will be issued to those who are successful and their names will be displayed on FSKTM websites.
- To Supervisor, please forward your list to syieda@um.edu.my by 28th April 2009.
- Admission is **FREE**
